METAMORPHOSES
Saturday March 2, 2019

“...we give our mythic side scant attention these days. As a result, a great deal escapes us...”

Berkeley Rep presented Mary Zimmerman’s breathtaking *Metamorphoses* at the turn of the millennium—it later received a Broadway run and garnered her a Tony Award. She’s become a Berkeley Rep favorite, enthraling audiences with eight gorgeous productions. Don’t miss your chance to experience her signature tour de force, the provocative and mesmerizing *Metamorphoses*.

Dreams and reality collide with gods and mortals in Mary Zimmerman’s ode to the power of love—and the shadows that lurk beneath it. From a wading pool in our intimate 400-seat theatre, she summons Ovid’s classical tales of passion, betrayal, hope, and transformation, inviting us into a realm of shared cultural myths and beautiful, unshakable visions.
